

# Renton Honors Our Veterans!

Fred Hancock Post 19, Renton, WA

Renton's American Legion Post was named after Fred Hancock, a WWI sailor and the first person from Renton, WA to die in the war.

In addition to organizing commemorative events, American Legion members provide assistance at VA hospitals and clinics. The Legion also works to improve veteran and service member benefits such as pensions and the Veterans Health Administration.

It has also historically promoted individual obligation to the community, state, and nation; peace and good will.
