

Armondo Pavone Mayor

Proclamation

Whereas, according to the American Lung Association, nearly 37 million Americans live with a chronic lung disease like asthma and COPD, including emphysema and chronic bronchitis; and

Whereas, Kaloni Bolton, who suffered from asthma, tragically lost her life too soon and had many interests and aspirations; and

Whereas, Kaloni enjoyed gymnastics, track and field, ballet and tap; spending time with her family, including fishing with her dad, playing basketball with her nephew, styling hair with her cousins; and the usual activities kids love—shopping, dancing and music; and

Whereas, Kaloni and her family had plans for her future, such as getting a driver's license, attending high school and college, and becoming a pediatrician; and

Whereas, Kaloni serves as an inspiration to us all, proving that you can have an incredible impact and influence on your family, friends, and community;

Now, therefore, I, Armondo Pavone, Mayor of the City of Renton, do hereby proclaim April 21, 2022, to be

Kaloni Bolton Day

in the City of Renton, and I encourage all citizens to join me in this special observance.

In witness whereof, I have hereunto set my hand and caused the seal of the City of Renton to be affixed this 18th day of April, 2022.

Armondo Pavone, Mayor
City of Renton, Washington
